### PRAYER

The Chaplain, Dr. Barry C. Black, offered the following prayer:

Let us pray.

Almighty God, source of all life, today we offer You ourselves, thanking You for the opportunity to serve You and country. Forgive us for being silent when we should speak, for being useless when we could be useful. Watch over and protect our Nation's military. Give our warriors courage as they face the foe and skill in performing their duty. Bless our lawmakers. Give them steadfast hearts which no unworthy thought can drag downward and no tribulation can wear out. Teach them to serve You as You deserve, to give and not count the cost, to toil and not seek for rest, to labor and not ask for any reward except that of knowing that they are doing Your will.

Use each of us to build a world fit to live in. We pray in Your wonderful name. Amen.

### RECOGNITION OF THE MAJORITY LEADER

### SCHEDULE

Mr. FRIST. Mr. President, today we have a period of morning business until 3 this afternoon, and at 3 we will begin consideration of S. 5, the class action fairness bill. The agreement reached last week provides for debate only and requires amendments to be limited to the subject matter of the bill. I encourage Members to make their opening statements today so that we may begin the amendment process early tomorrow.

I thank the Democratic leader for his cooperation as we begin the class action legislation. We have a short list of possible amendments from the other side. I hope we can lock in an exclusive list at the earliest time to facilitate management of the bill. I don't want to encourage amendments, but I would forewarn all Senators, if they intend to offer an amendment to the class action bill they should notify their respective chairmen just as soon as possible and notify the cloakrooms as well.

In addition to beginning the debate on the class action bill today, we will

also consider a resolution relating to the recent elections in Iraq. That resolution has been circulated, and we expect to have a rollcall vote on the resolution at 5:30 this afternoon. We hope to have that agreement locked in shortly, and we will alert Members accordingly when consent is granted for that vote.

I also would announce that the Homeland and Governmental Affairs Committee is expected to report the nomination of Michael Chertoff to be Secretary of Homeland Security. Clearly we will want to schedule that important nomination for floor action as soon as possible.

I yield the floor. I will have a few minutes on leader time shortly but would be happy to turn to the Democratic leader.

### RECOGNITION OF THE DEMOCRATIC LEADER

The PRESIDENT pro tempore. The Democratic leader is recognized.

### REPUBLICAN NATIONAL COMMITTEE LETTER

Mr. REID. Mr. President, when President Bush was elected, he said that he wanted to be a uniter and not a divider. We took him at his word. The last 4 years have not worked out well. There has not been much unity in Washington, but a lot of divisive matters come before us and the tone has not been good.

The day after this last election when the President was reelected he called
